

## Carefully read the instructions before completing the form.

Applications lacking the required documents as outlined below **will not be processed**

### \*\*IMPORTANT INFORMATION\*\*

The **official transcript** is required. Grade reports, photocopies, transcripts printed from the College website, and scanned copies **are not accepted**, and will be disregarded.

To transfer credit(s) for certification, the "Payroll Compliance Legislation" course must be successfully completed.

Your credit(s) will be transferred within 4-6 weeks from the time we receive your completed package. A confirmation will be emailed to you once the transfer has been processed.

Transcripts are not kept in-house. If you would like your transcript returned, please include a self-addressed, **stamped** envelope along with your transfer credit application package.

If the name on your transcript is different than your record with the Canadian Payroll Association, please enclose name change documentation.

Mail complete package to the Certification Department. **Incomplete packages may result in a delay of processing your request.**

### STEP 1: Do your homework

Each completed course submitted to the Canadian Payroll Association's Certification Department for certification credit must:

- Be equivalent to a Canadian post-secondary level course (high school courses or job experience will not be evaluated)
- If non-Canadian, first receive a **course by course** Canadian equivalency assessment from an accredited assessment agency  
\* **(International transcripts are not evaluated, and will be disregarded)**
- Be a minimum of 30 hours in length
- Have a final method of evaluation worth at least 20%
- Have been completed with a minimum grade of 65%
- Have been completed within the last 10 years

### STEP 2: Register courses recognized as equivalent for certification credit

To determine if a course is recognized as a valid equivalent for certification credit, visit our website at [www.payroll.ca](http://www.payroll.ca), under *Certification*, to access our course database of more than 180 Canadian post-secondary institutions. If the course is "VALID" on the website by exact name and number, that course is recognized as eligible for certification credit.

- Complete the Transfer Credit Application.
- Enclose an **official transcript** for applicable course(s). \*  
\*Grade reports, photocopies, transcripts printed from the College website, and scanned copies are not accepted, and will be disregarded

### STEP 3: Demonstrate equivalence of a course not recognized for certification credit

If not listed on the [website](#), that course is not currently recognized as eligible for certification credit. To have such a course evaluated by the Canadian Payroll Association to determine whether it is eligible for a certification credit:

- Obtain AND compare an outline of the course you took (must originate from the institution that offered the course) with the criteria for the certification credit sought. The course outline must contain: i) course title; ii) number; iii) content; iv) year the course was offered; v) number of credit hours; and vi) method of evaluation (e.g. assignments/exams).
- If the description for the unrecognized course you took matches the criteria listed for the certification credit you are seeking, it may qualify for certification credit. Complete the Transfer Credit Application.
- Enclose the course description for applicable course(s). If the course you took is no longer offered, the institution may be able to provide you with an acknowledgment letter and description of a replacement course they currently offer.
- Enclose an **official transcript** for applicable course(s). \*  
\***Grade reports, photocopies, transcripts printed from the College website, and scanned copies are not accepted.**

### STEP 4: Fees

The fee is \$50 plus applicable taxes to officially register an eligible course for each certification credit. Fees are non-refundable.

Each course being transferred is equivalent to one certification credit
