

Purchasing Multiple Payroll Knowledge Evaluators

The Payroll Knowledge Evaluator is an online tool that has been designed to gauge an individual's understanding of the Payroll Compliance Practitioner (PCP) Body of Knowledge. Organizations may wish to purchase multiple evaluators for use in recruiting, employee testing, or other instances. Multiple Payroll Knowledge Evaluator purchasers are required to submit the form below so an account can be established and managed for them by CPA staff. This will allow the initial purchase and all subsequent purchases to stay on the same account, using the same username and password to access the platform.
